

POSTER PRESENTATION

- ✓ Each author will have a board space of (HxW) 180 cm x 96 cm (5ft 10in x 3ft 2in), on which to mount the poster. The poster should be designed to summarize current research in graphic forms. Presentations should be self-explanatory so that the author is free to supplement and discuss particular points. For easy identification, provide a poster heading, listing its title and author(s), identical to that on the official program.
- ✓ The poster board is double-sided with one presentation on each side. Your assigned number will be in the upper left hand corner of the poster board. The boards will be arranged in numerical order outside the conference hall.
- ✓ Poster materials may be mounted on thin poster paper or cardboard and attached to the poster board with blue-tak or plain scotch-tape.
- ✓ **DO NOT USE PUSH-PINS OR GLUE** (materials for attaching illustrations will be available at the secretariat).
- ✓ **DO NOT PAINT OR WRITE ON THE BOARD**
- ✓ Do not mount your poster on heavy or thick backing, as it may be difficult to fasten to the board. If you require assistance with mounting or removing your poster, please notify the secretary of the workshop.
- ✓ Each author is responsible for assembly and removal of his/her own presentation.
- ✓ Please remove your poster promptly. Materials left on the poster boards after the removal deadline will be taken down. The organizers or the hotel staff has no responsibility for materials that may be lost or damaged.
- ✓ The poster sessions have a designated time in which the poster presenters are requested to be available at their poster to discuss their research with the meeting attendees.
